

E&D Mentorship Program Cohort 16

Docker & GitHub Actions

Mentee: Amanda Zhu

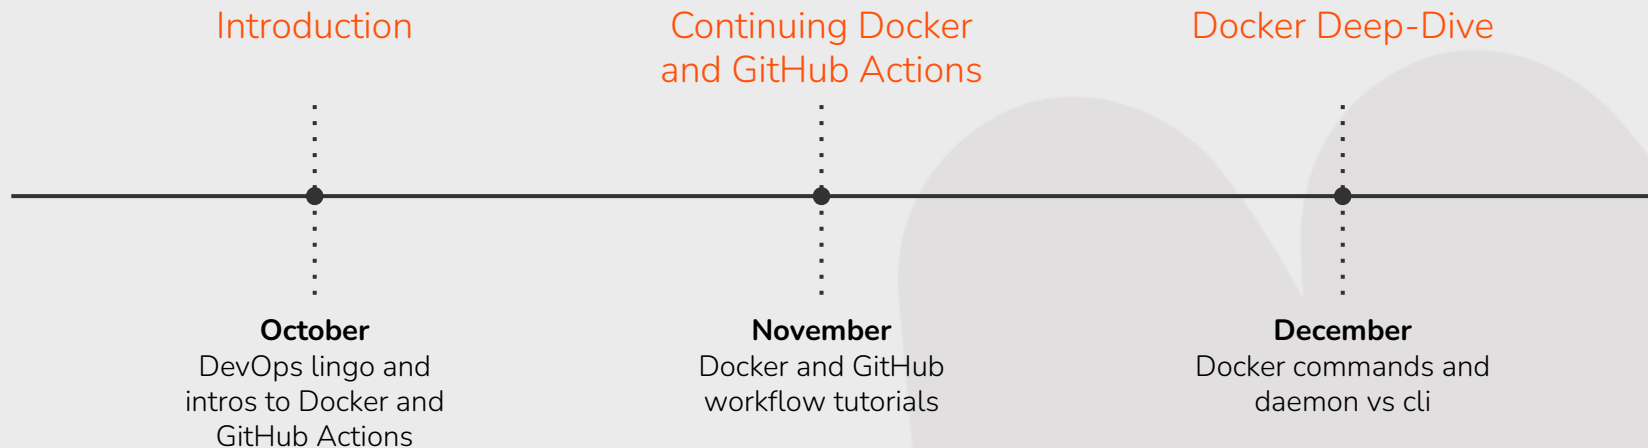

Mentor: Omri Lotan

The background of the slide is a vibrant, artistic illustration. It features a person in a red shirt standing on the right side, holding a glowing, golden orb. The scene is set against a dark, starry sky with a large, bright orange and red celestial body on the right. The overall color palette is dominated by reds, oranges, and yellows, creating a warm and energetic atmosphere. A large, white, stylized shape, resembling a speech bubble or a piece of paper, is positioned in the center-left, containing the text.
