Story Details Redesign

The Wattys 2026

the wattys 2026

You've done the work, now it's time to show it off! Complete the form below to officially enter your story into the 2026 Watty Awards.

Submissions close July 23rd, 2026 at 11:59:59 PM EDT. For full eligibility criteria, refer to the Rules and Regulations.

Please confirm that you meet the eligibility requirements. Stories that do not meet the eligibility requirements will be disqualified.

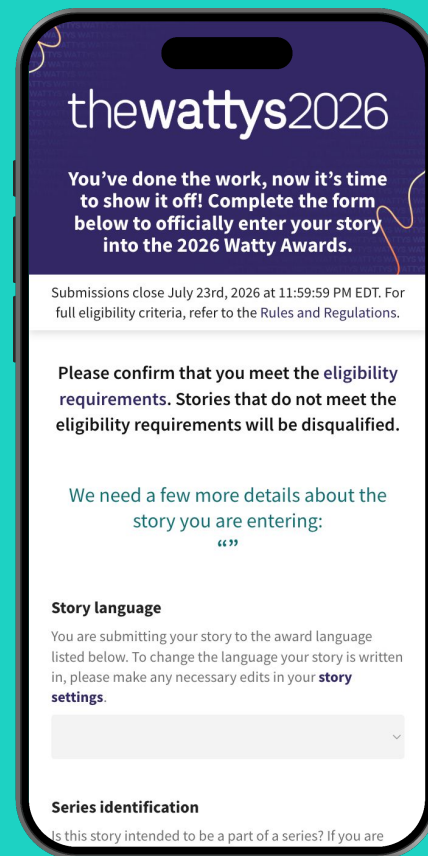

We need a few more details about the story you are entering:

Story language
You are submitting your story to the award language listed below. To change the language your story is written in, please make any necessary edits in your **story settings**.

Series identification
Is this story intended to be a part of a series? If you are uncertain at this time, please select "No".

Select an option

Artificial intelligence
Did you use Artificial Intelligence (AI) tools during the creation of this story? If so, please select the option(s) that

What I learned

- Remix
- Translations and localization
- Updating UI and event libraries
- Writing technical design docs
- Feature flags, staging, and rollouts
- Collaborating across teams

Thank you!

Special thanks to the Web Team and Discovery Pillar
